T & D MATERIAL PURCHASING SPECIFICATION

JPS SPECIFICATION: D/END-P/FORM-13-2022	DATE: April 21, 2022
ITEM STOCK: 020901006008	SUPERSEDES: April 20, 2012

DESCRIPTION: Grip, Guy, Dead End, Preform, C-coat galvanized steel, cable loop, Colour coded: Blue

APPLICATION: Used for anchoring and supporting 13mm (1/2") galvanized steel wire to guying systems

SPECIFICATION

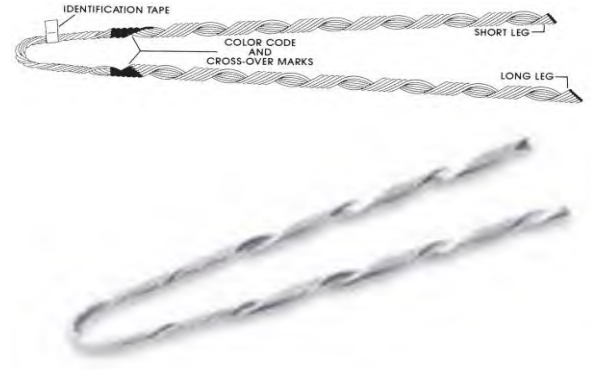

Grip, Guy, Dead End, C-coat galvanized steel, cable loop, Colour coded: Blue; Used for anchoring and supporting 13mm (1/2") galvanized steel wire to guying systems

The dead end preform shall be fabricated from galvanized steel, class "C" coated of sufficient number of wires of such diameter and length to develop a holding strength of 120kN (26,900lbs).

The dead end preform shall have cable loop, be left hand lay and have a pitch length of one complete wrap accommodating a conductor range of 0.475" – 0.515" (12mm-13mm). The nominal length of the dead end preform shall be 49" (1245mm).

The dead end preform shall be colour coded **BLUE** to identify size and length.

The dead end preform guy grip shall meet or exceed all applicable IEC, ASTM and OSHA standards.

The Dead End Preform Guy Grip shall be similar to Preformed Line Products Cat No. BG-2115 or approved equal.
