Questions

Question 1

2.1 Requirements & 4. JPS Labor Assistance

Does this mean that the contractor will provide supervision only and the works is conducted together with JPS mechanics?
Or will we provide a full-service team for the work, and JPS will assist where needed?
If only supervision is provided, it will be difficult to commit to the timeline specified, as we would have no control over the workforce.
This would also apply to the acceptance of "14.10 Liquidated Damages" and "14.5 Warranty"

Answer: Contractor would provide the work force and JPS would assist where needed.

Question 2

14.14 Termination for Convenience

This wording is not acceptable.
It should be noted here that any costs incurred by the contractor up to the time of termination would be reimbursed.

Answer: All cost incurred by the contractor in relation to the purchase service before the termination of contract will be reimbursed by JSP.

Question 3

14.16 Applicable Law

This is not acceptable.
Governing law shall be English law as a neutral choice of law.

Answer: The Law Governing the contract can be neutrally agreed upon during the signing of the contract.

Question 4

Does JPS have applicable instrument for performance testing/evaluation of the engines?

Answer: No, we do not have any applicable instrument.
